Each year, the Society for Mining, Metallurgy & Exploration (SME) presents more than 70 awards throughout the week at the MINEXCHANGE SME Annual Conference & Expo. SME award recipients represent the highest levels of professionalism and expertise in the mining and minerals industry, with awards given for both individual and group achievements.

The 2026 SME Awards Celebration will take place on Wednesday, February 25 from 5:30 pm – 8:00 pm inside the Salt Lake Ballroom at the Hyatt Regency Salt Lake City. The event serves as a lively conclusion to mining's premier annual conference, is open to all attendees and is included with MINEXCHANGE registration. After a multimedia awards presentation, attendees will enjoy an intimate reception with the recipients and their awards, providing a final networking opportunity with the industry's best and brightest.

"I cannot imagine a better way to conclude MINEXCHANGE than by having an SME Awards Celebration," said Bill Hancock, 2025 SME President. "Recognizing innovation and excellence through our awards program is core to our mission and a testament to the remarkable members making a difference across the world."
