Student Member Qualifications

A person eligible for election into the class of Student Member must be a **full-time college undergraduate or graduate student in good standing**. A Professional Member who subsequently returns to school for an additional degree cannot become a Student Member. All Student Members must be nominated by an SME Professional, Registered Member or Honorary Member.

Signature

If elected, I agree to abide by the bylaws and rules of the Society for Mining, Metallurgy, and Exploration, Inc. as the same are now in effect and as they may hereafter be modified while I am a member. I understand that under certain laws and regulations, SME must have my permission in order to communicate with me via fax or email. I hereby give SME Foundation, SME Local Sections and SME business associations permission to send me information and advertisements. If SME does NOT have your permission to communicate with you via fax or email, you may not have access to some of your electronic member benefits.

Signature: _____ Date: _____
