

COAL & ENERGY DIVISION

Join SME
and Get
Involved

The Coal & Energy Division of SME:

- Provides a forum for cooperation and communication among professionals interested in any way in coal and other mining-related energy sources,
- Promotes the use of coal as a major source of energy,
- Advances technologies in coal exploration, mining, and utilization through meetings, programs, publications, and education, and
- Creates interest in the coal industry as a career opportunity.

Recognition for Excellence in the Industry

- Rock Mechanics Award (with M&E Division)
- Percy Nicholls Award
- Erskine Ramsay Medal Award
- Stefanko Best Paper Award
- J. W. Woomer Award
- Distinguished Service Award
- Howard L. Hartman Award
- Howard N. Eavenson Award

Volunteer Opportunities

Each February, members are nominated to serve on committees. To learn more about these volunteer opportunities contact volunteer@smenet.org.

Coal & Energy Division Executive Committee has oversight of all activities within the Coal & Energy Division.

Coal & Energy Membership Committee encourages interest and membership in the division.

Coal & Energy Program Committee coordinates program plans including joint programs and social events among the divisions.

Coal & Energy Scholarship Committee reviews and selects recipients from applications for the Coal & Energy Division and John Sidney Marshall Scholarships.

Coal & Energy Division Representatives serving on SME Standing Committees contribute to the needs and discussions of the current projects and bring new ideas to help achieve committee goals.

Coal & Energy Division Unit Committees are responsible for planning appropriate programming within their specific interest area.

Areas of expertise include:

Energy & Environment
Mine Safety
Mine Operations
Mine Improvement & Innovations
Rare Earths
Underground Ventilation
(with M&E Division)

JOIN SME AND GET INVOLVED IN THE COAL & ENERGY DIVISION:

1. If you are not yet an SME member, join at smenet.org/join.
2. If you are already an SME member, sign in to your SME account.
3. Choose Membership Details under Membership & Participation and select the Coal & Energy Division. You can choose more than one division that aligns with your interests.
