

## ENVIRONMENTAL DIVISION

**Join SME  
and Get  
Involved**

**The Environmental Division of SME provides a means for cooperation and communication among professionals in the minerals industry engaged in all aspects of the physical environment as they relate to the mining industry, including:**

- Promotes safe and environmentally sound mining practices,
- Provides a forum for the exchange of technical information, publishing technical papers, organizing technical meetings and programs, and
- Encourages and promotes education on any subject related to these phases of the mining industry.

### **Recognition for Excellence in the Industry**

- Environmental Division Distinguished Service
- AIME/SME Environmental Stewardship Distinguished Service
- Benefactor Award

## Volunteer Opportunities

**The Environmental Division** encourages professional and student interest in subjects related to all phases of the environment.

**The Environmental Division** promotes professional development of environment industry practitioners.

**The Environmental Division** members serve on SME committees which provide leadership and guidance for the Society, including:

- Professional Engineers Exam Committee
- Acid Drainage Technology Initiative
- Innovators Task Force
- Government and Public Affairs Committee
- Scholarships and Special Awards
- Technical Presentations and Papers

*To learn more about these volunteer opportunities contact  
[volunteer@smenet.org](mailto:volunteer@smenet.org)*

## JOIN SME AND GET INVOLVED WITH THE ENVIRONMENTAL DIVISION:

1. If you are not yet an SME member, join at [smenet.org/join](https://smenet.org/join).
2. If you are already an SME member, sign in to your SME account.
3. Choose **Membership Details** under **Membership & Participation** and select the **Environmental Division**. You can choose more than one division that aligns with your interests.

**ENVIRONMENTAL  
DIVISION**

*Find more information about the Environmental Division online at
