

HEALTH & SAFETY COMMITTEE RESEARCH & EDUCATIONAL EXCELLENCE AWARD Guidelines & Procedures

Overview and Eligibility

The Health & Safety Research & Educational Excellence Award (HSREX Award) was established in 2012 and is presented to an individual or a research or educational institution exemplifying exceptional innovation and dedication toward advancement in technology or education for the protection and well-being of miners.

Eligibility criteria are as follows:

1. Active individual SME members or research or educational organizations are eligible for this award.
2. Nominees must be actively engaged in research or education for mining-related activities.
3. Greatest emphasis will be given to those individuals and institutions whose work has improved basic or applied safety and health management knowledge and practice in exploration, mining and/or metallurgy through education, research, technology/equipment innovation, and/or advancement of standards.

Timeline

The HSREX Award typically adheres to the following timeline:

Due Date	Task
April 1	Call for nominations
June 1	Nomination deadline
June 30	Committee chair provides qualified applications to members of committee
July 15	First round of voting complete; committee chair schedules conference call to discuss results (if needed)
July 25	Second round of voting complete (if needed)
