

## **ROBERT E. MURRAY INNOVATION AWARD**

Guidelines and Procedures

OVERVIEW AND ELIGIBILITY	or organizations who advance the mining in innovation. Its primary focus is to award op mining industry through the inclusion or ad processes. Eligibility requirements for the Murray Awar	innovative technologies, especially preferred innovative
	<ol> <li>Innovative technologies are defined as new equipment, processes or systems that result in significant technological improvement to the exploration, economic viability, and extraction of minerals.</li> </ol>	
	3. Preferred innovative technologies are defined as technologies that are currently cutting edge in other fields or novel mineral research initiatives.	
	4. The award will consider innovation across the full mining cycle from exploration to closure and include ancillary roles such as engineering, construction, supply side and logistics.	
	5. The pace of advancing the industry through innovation is unpredictable and, therefore, the committee is not obligated to award a recipient every year.	
	6. Examples might include seafloor implementation, mineral processing adva	mining, space mining, autonomous vehicles, novel drone ances, mineral-economics innovations, etc. They would peration, artificial intelligence, machine learning, etc.

## **ROBERT E. MURRAY INNOVATION AWARD**

Guidelines and Procedures

NOMINATIONS	Nominations for the Robert E. Murray Innovation Award require the following information:
	1. Completed nomination form including demographic and contact information for both the nominee and the principal nominator.
	2. <b>Required:</b> One letter of support detailing the nominee's qualification for the award. Should address qualities that are mentioned in the guidelines. Should focus on quality over quantity introducing the candidate to the committee (1 page).
	3. <b>Not required:</b> Up to four additional letters emphasizing the candidates qualifications for the award. (quality over quantity) (1 page each).
	4. Nominee's biography (2 page maximum).
	5. Nominee's CV/resume (abbreviated version – 3 page maximum).
	6. List of papers/publications (abbreviated version $-3$ page maximum).
	7. Appropriate award citation.
	All nominations submitted will be considered active nominations for a period of three years. Nominations must be submitted in accordance with the guidelines provided on the award nomination form, which may be downloaded here: <u>smenet.org/awards-recognition</u>
ADMINISTRATION	The Murray Award is administered by the Robert E. Murray Innovation Award Committee under the direction of the SME staff. The Award Committee will be made up of one representative from each of the SME divisions, the current SME president-elect and a non-voting staff liaison.
	Every five years the Award Committee will solicit and obtain an updated list of preferred innovative technologies from the SME Research & Development Committee, Mining Department Chairs Committee, and other appropriate SME committees.
	Societal and industrial trends will be reviewed every five years to redefine the list of preferred innovative technologies and the award criteria will be updated to identify the new technologies.
	• A minimum of three nominations need to be received and evaluated for each award in order to select a winner.
	<ul> <li>Current members of the SME Board of Directors, SME Division Executive Committees, Award Committees, or Foundation Board of Trustees are NOT eligible for any awards that they are responsible for approving during their term, with the exception of "past chair" recognitions.</li> </ul>
	• No person is eligible to receive more than one SME or SME/AIME award in a single year.
SELECTION OF RECIPIENTS	Recipients of the Robert E. Murray Innovation Award shall be selected by a majority vote by the Award Committee, subject to the approval of the SME Board of Directors. The award need not be presented in any given year if a suitable candidate is not agreed upon.
AWARD	1. Annual Innovation Lecture at the SME Annual Conference & Expo Keynote Session.
	2. The Robert E. Murray Award shall be a gold-plated medal bearing the likeness of Robert E. Murray with a scarlet and gold attached ribbon, a suitable framed embossed certificate signed by Robert E. Murray, and an engraved plaque with the winner's name, year of the award, and a citation of the service or achievement on which the award is based.
	3. The award winner will also receive a travel voucher and prepaid registration to attend the SME Annual Conference & Expo including the Annual Awards Celebration.

## **ROBERT E. MURRAY INNOVATION AWARD**

Guidelines and Procedures

PRESENTATION OF AWARD	The award will be presented at the SME Annual Awards Celebration, held in conjunction with the SME Annual Conference & Expo. Additionally, the Robert E. Murray Innovation Award recipient will be recognized during the meeting and may be invited to present a lecture of his/her choice during the Keynote Session. A good speaker is recommended for a 30 minute lecture.
FUNDING	All expenses incurred in the administration of the Robert E. Murray Award shall be the financial responsibility of SME and shall be paid from an endowment created specifically for this award and held in escrow by SME. The estate of Mr. Robert E. Murray will provide a substantial gift of \$210,000 to create the endowment and administer all aspects of the award.
AMENDMENTS	These guidelines may be amended by the Award Committee, subject to approval by the SME Board of Directors. Any such amendments must be reflected in all appropriate award documentation.
QUESTIONS	Questions may be directed to: Awards Coordinator Email: <u>awards@smenet.org</u> or SME Member Services Department Phone: 303-948-4200
