

J.H. Fletcher & Co. Scholarship Guidelines and Procedures

Overview

The J.H. Fletcher & Co. Scholarship is awarded annually to one or more students pursuing an undergraduate degree in mining or minerals engineering, with a desire to use their skills to apply technology to improve safety and productivity in underground mining. Students pursuing degrees in mechanical or electrical engineering may also be considered if they are minoring in mining engineering or show a strong desire for a career in the underground mining industry.

Eligible students may submit one application in consideration for the J.H. Fletcher & Co. Scholarship.
